angels appear in the most unexpected places. This nationally bestselling book is the first of three stories in The Angels Trilogy by Lurlene McDaniel.

Two girls, brought together amid the turmoil of the Civil War, are forced to break down prejudices to survive. Shenandoah Sisters Book 1.

Rhyming text and colorful illustrations enhance a charming bedtime picture book based on a popular spiritual. By the author of Cha-Cha Chimps.

In this sequel to the

bestselling ~~Until~~ *Angels Close My Eyes*, Ethan is now at the age at which a young Amish man is allowed to experience the non-Amish lifestyle before committing to the adults' rules. In this inspirational story that intertwines love and tradition, Leah and Ethan must decide whether their feelings are strong enough to overcome family obligation.

Book 2 of *Shenandoah Sisters*. Mayme and Katie, from entirely different worlds, have been thrown together in the chaotic aftermath of the Civil War. Just teenagers, they are

left to survive only by their own wits and shared experiences. Gradually, they are learning to appreciate each other's strengths and to shore up each other's weaknesses. Out of their efforts to simply stay alive comes a growing awareness of the Lord's love and care for them, as well as the dim outlines of a plan to keep Rosewood Plantation operating. The book continues the story begun in *Angels Watching Over Me*, of two very appealing but contrasting characters and their secret mission to provide a sanctuary for others who have been left alone and adrift by a tragic

In this thrilling sequel, Gemma continues to pursue her destiny to bind the magic of the Realms and restore it to the Order. Gemma and her friends from Spence use magical power to transport themselves on visits from their corseted world of Victorian London (at the height of the Christmas season), to the visionary country of the Realms, with its strange beauty and menace. There they search for the lost Temple, the key to Gemma's mission, and comfort Pippa, their friend who has been left behind in the Realms.

After these visits they bring back magical power for a short time to use in their own world. Meanwhile, Gemma is torn between her attraction to the exotic Kartik, the messenger from the opposing forces of the Rakshana, and the handsome but clueless Simon, a young man of good family who is courting her. This is the second book in Libba Bray's engrossing trilogy, set in a time of strict morality and barely repressed sensuality, about a girl who saw another way.

After suffering a career-ending injury, Tyler Ames finds a maintenance job at a

retirement home where he meets Virginia Hutcheson, a patient with Alzheimer's who seems to have the answers he is seeking.

In this compelling sequel to *Angel of Mercy*, Amber Barlow finds herself following in her sister footsteps to Uganda for missionary work. She quickly realizes upon arrival that transitioning from her wealthy lifestyle in Miami to the shocking conditions she witnesses in Uganda will be much more difficult than she had even anticipated. Luckily, she makes a friend in Boyce Callihan, a fellow volunteer from Alabama whose charm and
