The gratuitous billing of **Beware the Past** — by the author herself — as a “gripping” UK crime thriller with “a huge twist” grabbed my

~~Beware the Past (DCI Matt Ballard, #1) by Joy Ellis~~

Beware the Past is dark in nature, and dark in location – the setting of this novel really adds a sense of desolation and eeriness to the read. The characters were believable but I didn't really care about them or their fate, beyond wanting the good guys to win and the bad guys to lose.

Beware the Past is definitely a gripping crime thriller. It is a very English mystery, but not a cozy one! DCI Matt Ballard is nearing retirement when he suddenly receives photos of serial killer crimes from twenty or so years ago. Is the killer back? This is a very tangled, twisted tale with a stunning ending.

Beware the Past is a good novel, well-written, but not one I would rush to recommend because I couldn't connect with the characters and I guessed the ending. However, my favourite thing about this novel, it's 'old-school' vibe. Read more. 27 people found this helpful.

But Matt was not satisfied that the real murderer had been caught. Over 25 years later, Matt gets a photo in an unmarked envelope. It's of the Gibbet Fen crime scene. And the picture was taken before the murder took place. More photos arrive, relating to the historic murders, as well as intimate pictures of Matt's very secret private life. Then another murder happens with some of the hallmarks of the old case. Has the killer returned or is this just a sick copycat determined to ruin Matt's life and reputation? Everyone around Matt is in danger as the killer plays mind games with the detective. In an absolutely breathtaking conclusion, Matt and his team race against time to stop a vicious killer who knows no limits"--Amazon.com

Winner of the 2019 Banjo Prize for Fiction She's isolated. Trapped. Hunted. An almost unbearably tense Australian survival thriller. Not much daylight left now. So begins the field diary of Alix Verhoeven, whose impulsive acceptance of an offer to spend Easter on a remote island has turned into a terrifying ordeal. Hiding in a tiny cave, she carefully rations out her meagre supplies, while desperately trying to figure out how to escape the men hunting her. She is determined not to be a victim. What do they want with her? She knows it's nothing good - she overheard enough on that first night to flee. But now she's got little food or water, no way of calling for help, and only her skills as an exploration geologist and memories of Atkinson's Bushcraft Guide to survive. By day she is disciplined and lives by strict plans, but at night she finds herself haunted by questions about her life that she has never wanted to face. And her time is running out.

For fans of *We Were Liars*, *Gone Girl*, and *The Girl on the Train* comes a powerful psychological thriller with a gripping pace and Hitchcockian twists. Set against the backdrop of New York City, this compelling novel delves into the dysfunctional yet mesmerizing world of the mega-wealthy elite and will keep readers guessing until the very last page. *The Haves. The Have-Nots.* Kate O'Brien

appears to be a Have-Not. Her whole life has been a series of setbacks she's had to snake her way out of—some more sinister than others. But she's determined to change all that. She's book-smart. She's street-smart. And she's also a masterful liar. As the scholarship student at the elite Waverly School in NYC, Kate has her work cut out for her: her plan is to climb the social ranks and land a spot at Yale. She's already found her “people” among the senior-class “it” girls—specifically in the cosseted, mega-wealthy yet deeply damaged Olivia Sumner. As for Olivia, she considers Kate the best friend she's always needed, the sister she never had. When the handsome and whip-smart Mark Redkin joins the Waverly administration as head of fund-raising, he immediately charms his way into the faculty's and students' lives, becoming especially close to Olivia, a fact she's intent on keeping to herself. It becomes increasingly obvious that Redkin poses a threat to Kate, too, in a way she can't reveal—and can't afford to ignore. Mark has his own plan for a bright future and never doubts that he can pull it off. How close can Kate and Olivia get to him without having to share their dark pasts? “Combines a Gossip Girl milieu with the unsettled psychological terrain of *Gone Girl*.” —PW “It's smart, dark, entertaining, and unpredictable.” —Quill & Quire, Starred

TWO GIRLS GO TO A PARTY, ONLY ONE RETURNS ALIVE

Toni, the surviving teenager, is found deliriously wandering the muddy fields of the fens. She has been drugged and it's uncertain whether she'll survive. She says she saw her friend Emily being dragged away from the party. But no one knows who Emily is or even if she's still alive . . . Meanwhile the drowned body of another girl has been found on an isolated beach. And how does this all relate to the shocking disappearance of a little girl nearly a decade ago, a crime which was never solved? The girl's mother is putting immense pressure on the police to re-open the high-profile case.

The Chilling Inside Story of Women Who Are Driven to Kill Killer Women are the most disturbing yet compelling of all criminals, representing the very darkest side of humanity and subverting the conventional view of women as the weaker sex. From Elizabeth Bathory, 'The Bloody Countess' whose vampire-like tendencies terrorised sixteenth-century Hungary, to the Moors Murderer Myra Hindley and the Florida Highway Killer Aileen Wuornos, these women transfix us with their extreme ability to commit savage acts of cruelty and depravity. Most chilling is the fact that many of their victims represent the most vulnerable in society: babies, the ill and

infirm, and the elderly. In some cases their methods of disposing of the corpses fall nothing short of ingenious: meet Leonarda Cianciulli, 'The Soap-Maker of Correggio', who used the fat from her victims' bodies to make soap and teacakes to sell to unsuspecting customers. These killers' backgrounds, methods and their crimes are described in forensic and gripping detail. 50 terrifying cases of killer women are brought to life, including: Elizabeth Bathory 'The Bloody Countess' Amelia Dyer, The Reading Baby Farmer Jane Toppan, 'Jolly Jane' Juana Barraza, The Old Lady Killer Leonarda Cianciulli, 'The Soap-Maker of Correggio' Bonnie Parker, 'Bonnie & Clyde' Rosemary West Myra Hindley Aileen Wuornos

Great minds can change the world or leave it in ruins . . . When tech prodigy Jade Veverka creates a program to communicate with her autistic sister, she's tapped by a startup to explore the potential applications of her technology. But Jade quickly begins to notice some strange things about the small Kansas town just beyond the company's campus—why are there no children anywhere to be seen, and for that matter, anyone over the age of forty? Why do all of the people living here act uncomfortable and jumpy? On the way home one night, Jade and her co-worker are run off the road, and their lab and living spaces are suddenly overrun with armed guards, purportedly for their safety. Confined to the compound and questioning what her employers might be hiding from her, Jade fears she's losing control not only of her invention, but of her very life. It soon becomes clear that the threat reaches far beyond Jade and her family, and the real danger is much closer than she'd ever imagined.

WELCOME TO THE ANCHORAGE, FOR A HONEYMOON YOU'LL NEVER FORGET . . . Charles and Grace wanted a quiet staycation honeymoon, but when their train terminates early due to a storm up ahead, they wonder if they made the wrong decision.

Forced to take shelter in the nearest seaside town, Saltwater, they discover that there is only one guesthouse left. Unlike the rest of Saltwater, The Anchorage is entirely deserted. That night, with the storm howling relentlessly, Grace is woken by a child crying. She is haunted by the sound, until Charles convinces her it was only her imagination. But the next day, she finds a warning scrawled in the guest book: Leave now. Do not trust them. As the storm rages on, phone lines are down, transport links cut off. Grace is desperate to leave, but Charles remains unaffected by the eerie stillness of the house. Is it just Grace's imagination or do the owners, and Charles, have something to hide? THANK YOU FOR STAYING AT THE ANCHORAGE. WE HOPE YOU'LL BE BACK SOON... Perfect for fans of Harriet Tyce, Lisa Jewell and Ruth Ware.

_____ READERS LOVE THE GUEST BOOK: 'An excellent electrifying thriller... Dark and pacy. I loved it' 'A scary thriller, perfect for the winter months... A terrific read!' 'I had to read this in one sitting and still wanted more. The ending is amazing' 'So well written, the story jumps straight in from the first page and doesn't let up until the very end. 'Atmospheric, claustrophobic and creepy. A great read for this time of year when the nights are drawing in'

He'll slice your flesh. Your bones he'll keep. The Bone Keeper's coming. And he'll make you weep. What if the figure that haunted your nightmares as a child was real? Twenty years ago, four teenagers went exploring in the local woods, trying to find the supposed home of the Bone Keeper. Only three returned. Now, a woman is found wandering the streets, horrifically injured, claiming to have fled the evil urban myth. And then a body turns up.
