Auto Repair For Dummies, 2nd Edition (9781119543619) was previously published as Auto Repair For Dummies, 2nd Edition (9780764599026). While this version features a new Dummies cover and design, the content is the same as the prior release and should not be considered a new or updated product. The top-selling auto repair guide--400,000 copies sold--now extensively reorganized and updated Forty-eight percent of U.S. households perform at least some automobile maintenance on their own, with women now accounting for one third of this \$34 billion automotive do-it-yourself market. For new or would-be do-it-yourself mechanics, this illustrated how-to guide has long been a must and now it's even better. A complete reorganization now puts relevant repair and maintenance information directly after each automotive system overview, making it much easier to find hands-on fix-it instructions.

Author Deanna Sclar has updated systems and repair information throughout, eliminating discussions of carburetors and adding coverage of hybrid and alternative fuel vehicles. She's also revised schedules for tune-ups and oil changes, included driving tips that can save on maintenance and repair costs, and added new advice on troubleshooting problems and determining when to call in a professional mechanic. For anyone who wants to save money on car repairs and maintenance, this book is the place to start. Deanna Sclar (Long Beach, CA), an acclaimed auto repair expert and consumer advocate, has contributed to the Los Angeles Times and has been interviewed on the Today show, NBC Nightly News, and other television programs.

Ditch the gas grill and light your fire with this comprehensive guide from the author of *The New Camp Cookbook*. *The Backyard Fire Cookbook* offers techniques and recipes to master cooking with live fire and coals, including planking, cast iron, foil packets, and more. There's no denying the thrill of cooking outdoors and the sense of community it brings when people gather around a fire, and in this book, author Linda Ly will teach you how to master the flames. For the adventurous, start by building a home fire pit. It's easier than it sounds and requires minimal investment of time and space. If you'd rather not, that's okay! There are plenty of other options, from vessel fire pits to tabletop grills. Even a charcoal kettle grill will give you more flavor than cooking with gas. Ly also covers everything you need to know about fuel sources (hardwood, hardwood lump charcoal, and smoking wood), her go-to grilling tools and
