**Rockstar Book Review: "Everything That Remains"**

Every aspect of the life he had built for himself. Then, he accidentally discovered a lifestyle known as minimalism...and everything started to change. That was four years ago. Since, Millburn, now 32, has embraced simplicity. In the pursuit of looking for something more substantial than compulsory consumption and the broken American Dream, he jettisoned most of his material possessions, paid off loads of crippling debt, and walked away from his six-figure career. So, when everything was gone, what was left? The author traces her life and marriage to Anthony Radziwill, President Kennedy's nephew, in an account that describes her work as a journalist, her friendship with JFK, Jr., and his wife, and her husband's struggle with terminal cancer.

NEW YORK TIMES BESTSELLER • "A simply elegant memoir."—Newsweek In this exquisitely written memoir, Mia Farrow takes us on a journey into her remarkable life. As the daughter of actress Maureen O'Sullivan and film director John Farrow, she lived what was by all appearances a charmed a privileged childhood. But below the surface, money troubles, marital tensions, drinking, and occasionally violence marred the Hollywood illusion. And when Mia was nine, she would be forever wrenched from childhood by the terrible isolation of a bout with polio. Her father's death propelled her out into the world, where she embarked onto an acting career that included television, theater, and film—from her debut in Peyton Place to her first starring role in Rosemary's Baby, and on to her thirteen films with Woody Allen. Here is a luminous memoir of childhood and motherhood, a thoughtful exploration of a spiritual journey, and a candid examination of her marriages to Frank Sinatra and André Previn and her close but troubled twelve-year relationship with Woody Allen. Told with grace and deep understanding, as well as humor, What Falls Away is an unforgettable book, an extraordinary record of an extraordinary life. Praise for What Falls Away "Compelling and convincing . . . a story of survival."—Chicago Tribune "A beautifully written memoir . . . about complex people and issues."—The Atlanta Journal "A juicy book and a good one."—Time "Farrow's book possesses an elegance of prose and sensibility that elevates it way beyond the typical gorefest of sex, gossip, and betrayal."—USA Today "A stellar new memoir . . . it's all there, every wondrous, scandalous, inhumanely difficult thing."—Mirabella "Mia Farrow tells the story of her fascinating life with uncommon grace and insight."—William Styron "Word by word, page by page, we're convince. We believe her."—Newsday "One of the best writers to ever come out of Hollywood. She writes with extraordinary wit and polish. This is good news from Frank Sinatra, André Previn, and the hundreds of other celebrities who make cameo appearances in her fabulous life, but it is very bad news for Woody Allen."—Pat Conroy

The best of The Minimalists. This book by Joshua Fields Millburn & Ryan Nicodemus collects the most relevant essays—some short, some long—from their popular website, TheMinimalists.com. This collection has been edited and organized to create an experience that's considerably different from reading individual selections online. From simple living, decluttering, and finances, to passion, health, and relationships, Essential is for anyone who desires a more intentional life.

After a failed suicide attempt, Ayden Kosacov discovers that there is more to life than just being alive.

How could I write about the importance of truth and not tell the whole truth myself? After twenty years spent searching for her biological parents, 52-year-old Susan Hull unexpectedly meets the great love of her life - a goldminer named Wayne Francis. He is a gentle giant of a man, who promises Susan the world. Two years later, they throw in their jobs, marry and sell everything they own, embarking on an incredible adventure, to start a new life in the romantic city of Granada, where they learn Spanish and enjoy too much tapas. In love, and enthralled by the splendour of a European springtime, the pair treasure every moment together. Until a shocking series of events alters everything. Riveting, heartfelt and remarkably honest, Susan Francis The Love that Remains explores unconditional love and the lies we tell to safeguard our happiness.

The #1 New York Times bestselling autobiography of the guitarist, songwriter, singer, and founding member of the Rolling Stones. Ladies and gentlemen: Keith Richards. With The Rolling Stones, Keith Richards created the songs that roused the world, and he lived the original rock and roll life. Now, at last, the man himself tells his story of life in the crossfire hurricane. Listening obsessively to Chuck Berry and Muddy Waters records, learning guitar and forming a band with Mick Jagger and Brian Jones. The Rolling Stones's first fame and the notorious drug busts that led to his enduring image as an outlaw folk hero. Creating immortal riffs like the ones in "Jumpin' Jack Flash" and "Honky Tonk Women." His relationship with Anita Pallenberg and the death of Brian Jones. Tax exile in France, wildfire tours of the U.S., isolation and addiction. Falling in love with Patti Hansen. Estrangement from Jagger and subsequent reconciliation. Marriage, family, solo albums and Xpensive Winos, and the road that goes on forever. With his trademark disarming honesty, Keith Richard brings us the story of a life we all longed to know more of, unfettered, fearless, and true.

The long-awaited autobiography from Georgetown University's legendary coach, whose life on and off the basketball court threw America's unresolved struggle with racial justice into sharp relief. John Thompson was never just a basketball coach and I Came As A Shadow is categorically not just a basketball autobiography. After five decades at the center of race and sports in America, Thompson—the iconic NCAA champion, Black activist, and educator—was ready to make the private public at last, and he completed this autobiography shortly before his death in the historically tumultuous summer of 2020. Chockful of stories and moving beyond mere stats (three Final Fours, four-time national coach of the year, seven Big East championships, 97 percent graduation rate), Thompson's book drives us through his childhood under Jim Crow segregation to our current moment of racial reckoning. We experience riding shotgun with Celtics icon Red Auerbach and coaching NBA Hall of Famers like Patrick Ewing and Allen Iverson. What were the origins of the the phrase "Hoya Paranoia"? You'll see. And parting his veil of secrecy, Thompson brings us into his negotiation with a D.C. drug kingpin in his players' orbit in the 1980s, as well as behind the scenes of his years on the Nike board. Thompson's mother was a teacher who had to clean houses because of racism in the nation's capital. His father could not read or write. Their son grew up to be a man with his own larger-than-life statue in a building that bears his family's name on a campus once kept afloat by the selling of 272 enslaved Black people. This is a great American story, and John Thompson's experience sheds light on many of the issues rolling our nation. In these pages, he proves himself to be the elder statesman whose final words college basketball and the country need to hear. I Came As A Shadow is not a swan song, but a bullhorn blast from one of America's most prominent sons.
