Good day Reddit. Looking to buy my first bike, a rebel 300 with ABS. A local dealership I saw was selling a preowned one for \$4,500. Only had like 1 mile on it. The 2019 msrp is \$4,800. I was wondering what you guys paid for your bikes otd, and if I would have to pay any bs fees for a preowned bike (besides sales tax of course).
