Meet the characters that live, work, dream, and love in the community of Deepwater Cove. Best-selling authors Gary Chapman and Catherine Palmer team up to show how four married couples, all in different stages in life, experience the joys and hardships of marriage as examined in Gary Chapman's The Four Seasons of Marriage. In book one, Steve and Brenda face a common problem among middle-age couples: empty nest syndrome. Steve works too much, and with their two children out of the house, Brenda feels lonely and unfulfilled. In order to save their marriage, the two must learn to reconnect. Readers are also introduced to many charming characters, like Cody, the mentally challenged homeless man that shows up on Steve and Brenda's porch; Pete, who owns the Rods 'N' Ends tackle shop; and Patsy Pringle, who owns the Just As I Am beauty parlor, where much of the action takes place. The series is based on the marriage principles found in Gary Chapman's non-fiction book The Four Seasons of Marriage. Similar in tone and light-hearted, quirky humor as Jan Karon's Mitford series, Fannie Flagg's books or Steel Magnolias. Each book has a study guide that talks about the four seasons of marriage and the healing strategies depicted in that volume's story.

This collection bundles together all 4 of the Four Seasons novels by popular authors Catherine Palmer and Gary Chapman into one e-book for a great value! The series is based on the marriage principles found in Gary Chapman's non-fiction book The Four Seasons of Marriage. Similar in tone and light-hearted, quirky humor as Jan Karon's Mitford series, Fannie Flagg's books or Steel Magnolias. Each book has a study guide that talks about the four seasons of marriage and the healing strategies depicted in that volume's story. #1: It Happens Every Spring Meet the characters that live, work, dream, and love in the community of Deepwater Cove. Four married couples, all in different stages in life, experience the joys and hardships of marriage as examined in Gary Chapman's The Four Seasons of Marriage. In book one, Steve and Brenda face a common problem among middle-age couples: empty nest syndrome. Steve works too much, and with their two children out of the house, Brenda feels lonely and unfulfilled. In order to save their marriage, the two must learn to reconnect. Readers are also introduced to many charming characters, like Cody, the mentally challenged homeless man that shows up on Steve and Brenda's porch; Pete, who owns the Rods 'N' Ends tackle shop; and Patsy Pringle, who owns the Just As I Am beauty parlor, where much of the action takes place. #2: Summer Breeze Readers meet the blended family of Derek and Kim Finley. Kim has a set of twins—one boy and one girl—from her first marriage; Luke has recently been diagnosed with diabetes, and Lydia is acting out as a result of the attention now being showered on Luke. To complicate matters, Derek's overbearing mother comes to live with them. With all that's going on in their lives, Kim and Derek's communication begins to break down and their marriage slowly moves into winter.

Although the second book will focus on Kim and Derek, readers will also encounter all their favorite characters—Patsy Pringle, Pete Roberts, Steve and Brenda, Esther and Charlie—as well as some new ones, like the proprietor of the new sandwich shop that's moved in next to Patsy's beauty parlor. #3 Falling for You Again Charlie and Esther Moore have been married nearly fifty years when the contented life they've built together begins to crumble. Esther has been forgetful recently, but it's rarely a problem until the day she puts her car in drive instead of reverse, flying off the end of the carport and into the backyard. Esther's accident and declining health shatter their reverie, and the couple must come to terms with all the paths their lives have not taken if they ever hope to pull their marriage out of winter. As always, the quirky characters of Deepwater Cove will pop in and out of the story and delight readers. #4: Winter Turns to Spring Brad and Ashley Hanes are young newlyweds who are facing their first season of winter. Opposite work schedules, differing views on finances and when to start a family, and Brad's selfish and immature habits are forcing the young couple apart, causing them to question why they ever got married in the first place. It will take a whole lot of help—mostly from their nosy but well-meaning neighbors—for Ashley and Brad to pull their marriage out of the winter blues and into a hopeful spring. As usual, the residents of Deepwater Cove will pop in and out of the story to delight readers. They'll encounter Cody and see his continued independence and growing friendship with Jennifer; Patsy and Pete's escalating romance; and Charlie, a recent widower who is taking on the challenges and excitement of his golden years with zeal.

Shane Murphy is an up and coming minor league baseball player with a lucrative future on the horizon. After the tragedy on 9-11-01, he makes a bold decision to leave his sport and enlists in the U.S.Marines. While in combat in Iraq, he finds an interesting "rock" in the rubble of war. This "rock" and its mystical properties enable Shane to re-join baseball and go on to become one of the greatest players in modern baseball history.

Compares the transitional cycles of marriage to those of nature, describes the attitudes and emotions of each season, and offers seven strategies that enable couples to enhance and improve their marital relationship.

This book focuses on Brad and Ashley Hanes, young newlyweds who are facing their first season of winter. Opposite work schedules, differing views on finances and when to start a family, and Brad's selfish and immature habits are forcing the young couple apart, causing them to question why they ever got married in the first place. It will take a whole lot of help—mostly from their nosy but well-meaning neighbors—for Ashley and Brad to pull their marriage out of the winter blues and into a hopeful spring. As usual, the residents of Deepwater Cove will pop in and out of the story to delight readers. They'll encounter Cody and see his continued independence and growing friendship with Jennifer; Patsy and Pete's escalating romance; and Charlie, a recent widower who is taking on the challenges and excitement of his golden years with zeal. The series is based on the marriage principles found in Gary Chapman's non-fiction book The Four Seasons of Marriage. Similar in tone and light-hearted, quirky humor as Jan Karon's Mitford series, Fannie Flagg's books or Steel Magnolias. Each book has a study guide that talks about the four seasons of marriage and the healing strategies depicted in that volume's story.

Twelve-year-old Henry's grand adventures spell disaster for best chums Riley and Reed, who always seems to land in a pile of "smelly goo."

Born into slavery, Bass Reeves became the most successful US Marshal of the Wild West. Many "heroic lawmen" of the Wild West, familiar to us through television and film, were actually violent scoundrels and outlaws themselves. But of all the sheriffs of the frontier, one man stands out as a true hero: Bass Reeves. He was the most successful Federal Marshal in the US in his day. True to the mythical code of the West, he never drew his gun first. He brought hundreds of fugitives to justice, was shot at countless times, and never hit. Bass Reeves was a black man, born into slavery. And though the laws of his country enslaved him and his mother, when he became a free man he served the law, with such courage and honor that he became a legend.

This Newbery Honor Book by master storyteller Gary Paulsen is now available in this After Words paperback edition! Following the turn of the seasons, eleven year old Eldon traces the daily routines of his life on a farm and his relationship with his older brother Wayne. During the winter, with little work to be done on the farm, Eldon and Wayne spend the quiet hours with their family, listening to their Uncle David's stories. But Eldon soon learns that, although he has lived on the same farm, in the same house with his uncle for eleven springs, summers, and winters, he hardly knows him.

A GOOD MORNING AMERICA BOOK CLUB PICK "Chandler Baker, queen of the feminist thriller, has delivered once again! The Husbands is a poignant exploration of what it would take for women to have it all." —Sally Hepworth, bestselling author of The Good Sister To what lengths will a woman go for a little more help from her husband? Nora Spangler is a successful attorney but when it comes to domestic life, she packs the lunches, schedules the doctor appointments, knows where the extra paper towel rolls are, and designs and orders the holiday cards. Her husband works hard, too... but why does it seem like she is always working so much harder? When the Spanglers go house hunting in Dynasty Ranch, an exclusive suburban neighborhood, Nora meets a group of high-powered women—a tech CEO, a neurosurgeon, an award-winning therapist, a bestselling author—with enviably supportive husbands. When she agrees to help with a resident's wrongful death case, she is pulled into the lives of the women there. She finds the air is different in Dynasty Ranch. The women aren't hanging on by a thread. But as the case unravels, Nora uncovers a plot that may explain the secret to having-it-all. One that's worth killing for. Calling to mind a Stepford Wives gender-swap, New York Times bestselling author of Whisper Network Chandler Baker's The Husbands imagines a world where the burden of the "second shift" is equally shared—and what it may take to get there. "Utterly engrossing and thoroughly timely, The Husbands is both a gripping, well-crafted mystery and an insightful critique of motherhood and marriage in the modern age—working mothers everywhere will feel seen in the best possible way." —Kimberly McCreight, New York Times bestselling author of A Good Marriage

NEW YORK TIMES BESTSELLER • NAMED ONE OF THE BEST BOOKS OF THE YEAR BY The New York Times Book Review • The Washington Post • Kirkus Reviews "A perfect novel for these times and all times, the single textual artifact from the pandemic era I would place in a time capsule as a representation of all that is good and true and beautiful about literature."—Molly Young, The New York Times Eight friends, one country house, and six months in isolation—a novel about love, friendship, family, and betrayal hailed as a "virtuoso performance" (USA Today) and "an homage to Chekhov with four romances and a finale that will break your heart" (The Washington Post) In the rolling hills of upstate New York, a group of friends and friends-of-friends gathers in a country house to wait out the pandemic. Over the next six months, new friendships and romances will take hold, while old betrayals will emerge, forcing each character to reevaluate whom they love and what matters most. The unlikely cast of characters includes a Russian-born novelist; his Russian-born psychiatrist wife; their precocious child obsessed with K-pop; a struggling Indian American writer; a wildly successful Korean American app developer; a global dandy with three passports; a Southern flamethrower of an essayist; and a movie star, the Actor, whose arrival upsets the equilibrium of this chosen family. Both elegiac and very, very funny, Our Country Friends is the most ambitious book yet by the author of the beloved bestseller Super Sad True Love Story.
