Author and crime writer Mark Jones presents the stories, and criminal minds, of nine serial offenders who terrorized South Carolina during the latter part of the twentieth century. The "Super Christian"? who turned a small beach community into a terrified town. The "Gaffney Strangler"? who taunted police with the message, "Stop me or I will kill again."? The schoolteacher-turned-rapist who eluded authorities for more than thirty years. And of course, the horrifying and tragic life of South Carolina's most successful serial killer, Pee Wee Gaskins. All are revealed here in chilling detail.
