~~Laughter and Tears: Living Both Sides of Life: Coryell ...~~

Laughter and tears are the medicinal balm of life. They both heal, empower, and exhort, but they were created to be mutually inclusive. They are two sides of the same coin. To have one and not the other is to go through life with a lop-sided personality. All tears and you may end up hopelessly bitter and morose.

While scientists aren't exactly sure why, what they do agree on is that both tears and giggles provide a natural emotional and biological reset—which all of us need these days. There's a physiological explanation for the cathartic experience you get from a good laugh or a good cry, and both offer a whole range of benefits, from increased immunity to a flood of "feel-good" hormones.
