Tayari Jones's debut novel, *LEAVING ATLANTA* --- a compelling look at the fear and suspicion that swept through this already racially and politically charged Southern city in the late 1970s and early '80s.

FROM THE AUTHOR OF AN AMERICAN MARRIAGE, AN OPRAH'S BOOK CLUB 2018 SELECTION It's the end of summer in Atlanta, and fifth-grade classmates Tasha Baxter, Rodney Green, and Octavia Harrison will discover that back-to-school means facing everyday challenges in a new world of safety lessons, terrified parents, and constant fear. Because it was the summer during which Atlanta's African-American children were vanishing. The moving story of their struggle to grow up and survive shimmers with the piercing, ineffable quality of childhood, as it captures all the hurts and little wins, the all-too-sudden changes, and the merciless, outside forces that can sweep the young into adulthood and forever shape their lives. An award-winning author makes her fiction debut with this coming-of-age story of three young black children set against the backdrop of the Atlanta child murders of 1979.

From the author of the Oprah Book Club Selection *An American Marriage*, here is an emotionally powerful novel that "succeeds mightily...truly a wonderful story" (Boston Globe). Aria is no stranger to tragedy -- as a young girl, she and her older sister and mother survived a car crash that took the lives of their father and beloved baby sister. And although relations with her remaining family are strained, she's done her best to establish a solid, normal life for herself, living in Atlanta and teaching literacy to girls who have fallen on hard times. But now she has a secret that she's not yet ready to share with Dwayne, her devoted boyfriend, or Rochelle, her roommate and best friend: Aria is pregnant. Or so she thinks. The truth is about to make her question her every assumption and reevaluate the life she has worked so hard to build for herself...as it sends her reeling in a direction she had no idea she was destined to go. Praise for Tayari Jones "Tayari Jones is blessed with vision to see through to the surprising and devastating truths at the heart of ordinary lives, strength to wrest those truths free, and a gift of language to lay it all out, compelling and clear." -- Michael Chabon "Tayari Jones has emerged as one of the most important voices of her generation." -- Essence "One of America's finest writers." -- Nylon.com "Tayari Jones is a wonderful storyteller." -- Ploughshares

Kenji Jasper's "A Moment of Clarity at the Waffle House" nominated for a 2018 Edgar Award for Best Short Story! "Atlanta has its share, maybe more than its share, of prosperity. But wealth is no safeguard against peril...Creepy as well as dark, grim in outlook...Hints of the supernatural may make these tales...appealing to lovers of ghost stories." --Kirkus Reviews "These stories, most of them by relative unknowns, offer plenty of human interest...All the tales have a Southern feel." --Publishers Weekly "Jones, author of Leaving Atlanta, returns to the South via Akashic's ever-growing city anthology series. The collection features stories from an impressive roster of talent including Jim Grimsley, Sheri Joseph, Gillian Royes, Anthony Grooms and David James Poissant. The 14 selections each take place in different Atlanta neighborhood." --Atlanta-Journal Constitution "Now comes Atlanta Noir, an anthology that masterfully blends a chorus of voices, both familiar and new, from every corner of Atlanta...The magic of Atlanta Noir is readily apparent, starting with the introduction Jones pens. It doesn't rest solely upon the breadth of writers but on how their words, stories and references are so Atlanta--so very particular, so very familiar and so very readily, for those who know the city, nostalgic. And for those who don't? The sense of place it captures inspires a desire to get to know Atlanta and its stories." --ArtsATL Akashic Books continues its award-winning series of original noir anthologies, launched in 2004 with Brooklyn Noir. Each book comprises all new stories, each one set in a distinct neighborhood or location within the respective city. This much-anticipated and long-overdue installment in Akashic's Noir Series reveals many sides of Atlanta known only to its residents. Brand-new stories by: Tananarive Due, Kenji Jasper, Tayari Jones, Dallas Hudgens, Jim Grimsley, Brandon Massey, Jennifer Harlow, Sheri Joseph, Alesia

Parker, Gillian Royes, Anthony Grooms, John Holman, Daniel Black, and David James Poissant. From the introduction by Tayari Jones: Atlanta itself is a crime scene. After all, Georgia was founded as a de facto penal colony and in 1864, Sherman burned the city to the ground. We might argue about whether the arson was the crime or the response to the crime, but this is indisputable: Atlanta is a city sewn from the ashes and everything that grows here is at once fertilized and corrupted by the past... These stories do not necessarily conform to the traditional expectations of noir... However, they all share the quality of exposing the rot underneath the scent of magnolia and pine. Noir, in my opinion, is more a question of tone than content. The moral universe of the story is as significant as the physical space. Noir is a realm where the good guys seldom win; perhaps they hardly exist at all. Few bad deeds go unrewarded, and good intentions are not the road to hell, but are hell itself... Welcome to Atlanta Noir. Come sit on the veranda, or the terrace of a high-rise condo. Pour yourself a glass of sweet tea, and fortify it with a slug of bourbon. Put your feet up. Enjoy these stories, and watch your back.

WITH A NEW INTRODUCTION FROM NEW YORK TIMES BEST-SELLING AUTHOR TAYARI JONES "How can a novel's social criticism be so unflinching and clear, yet its plot moves like a house on fire? I am tempted to describe Petry as a magician for the many ways that *The Street* amazes, but this description cheapens her talent . . . Petry is a gifted artist." — Tayari Jones, from the Introduction *The Street* follows the spirited Lutie Johnson, a newly single mother whose efforts to claim a share of the American Dream for herself and her young son meet frustration at every turn in 1940s Harlem. Opening a fresh perspective on the realities and challenges of black, female, working-class life, *The Street* became the first novel by an African American woman to sell more than a million copies.

The National Book Award-winning novel—and contemporary classic—that launched the brilliant career of Gloria Naylor, now with a foreword by Tayari Jones “[A] shrewd and lyrical portrayal of many of the realities of black life . . . Naylor bravely risks sentimentality and melodrama to write her compassion and outrage large, and she pulls it off triumphantly.” —The New York Times Book Review “Brimms with inventiveness—and relevance.” —NPR's Fresh Air In her heralded first novel, Gloria Naylor weaves together the stories of seven women living in Brewster Place, a bleak-inner city sanctuary, creating a powerful, moving portrait of the strengths, struggles, and hopes of black women in America. Vulnerable and resilient, openhanded and openhearted, these women forge their lives in a place that in turn threatens and protects—a common prison and a shared home. Naylor renders both loving and painful human experiences with simple eloquence and uncommon intuition in this touching and unforgettable read.
