You are not alone; it is often difficult to reach young adults on the topic of money management, but look no further. I Want More Pizza finally has teenagers excited about personal finance and is giving them the confidence that they can succeed. This resource is being used in classrooms around the nation as young adults enjoy the pizza model for learning about money management. Now available for the first time for you to bring into your home, give your young adult the gift of financial literacy and they will thank you for a lifetime. I am sure you have heard a few of these: "I don't need it", "I'm too young", "I need to spend my money on _____", and the list goes on. The pizza model for learning personal finance breaks down those barriers because, well, everyone loves pizza! Just because money management is extremely important doesn't mean that it has to be extremely complex. I Want More Pizza leaves them in complete control to find the plan that works for your young adult - it's their choice. If they don't enjoy math or don't like to plan, no problem, we've got them covered as well. And it's only 70 pages, which young adults love given their busy social calendars. Money doesn't have to be stressful. Finally reach your young adult and help them become financially literate for a lifetime. After all, there is a lot of pizza in life to enjoy!

10 matching games that reinforce basic skills

Fill in the gaps of your Common Core curriculum! Each ePacket has reproducible worksheets with questions, problems, or activities that correspond to the packet's Common Core standard. Download and print the worksheets for your students to complete. Then, use the answer key at the end of the document to evaluate their progress. Look at the product code on each worksheet to discover which of our many books it came from and build your teaching library! This ePacket has 6 activities that you can use to reinforce the standard CCSS 2.MD.C.8: Word Problems with Money. To view the ePacket, you must have Adobe Reader installed. You can install it by going to <http://get.adobe.com/reader/>.
