A wonderfully warm and heartfelt debut from a stunning new talent. Everyone needs a guardian angel! Some people wait their whole lives to find their soul mates. But not Holly and Gerry. Holly e Gerry: belli, giovani, innamorati, felici. Quando Gerry muore all'improvviso, per Holly nulla sembra avere più senso: vedova a ventinove anni, si sente sola e sperduta. Ma Gerry, poco prima di andarsene per sempre, le aveva promesso che non l'avrebbe abbandonata. Un giorno Holly riceve una lettera proprio da lui, con un messaggio che la esorta a ritrovare la voglia di vivere e, soprattutto, con un dolcissimo "P.S. I love you" che spinge Holly, fra un pianto e un sorriso, ad aprirsi al domani. E così Holly si ritrova, quasi senza accorgersene, a vivere di nuovo. Un romanzo commovente e delicato che ha fatto emozionare milioni di lettori nel mondo.

" Dès que Holly tenait une enveloppe dans sa main, elle sentait son lien avec lui. Les deux fois où elle en avait ouvert une, elle avait le sentiment qu'il était assis à côté d'elle et s'amusait de ses réactions. " Quand on trouve l'âme sœur, on croit que le bonheur durera toujours. C'est ce que pensait Holly jusqu'à ce que son Gerry ne meure d'une terrible maladie. A trente ans, Holly se retrouve seule, démunie, sans espoir. Mais Gerry lui réserve une ultime surprise. Il lui a laissé dix lettres qui forment une " liste " de choses à accomplir pour réapprendre à vivre. Par-delà la mort, Gerry lui adresse un message d'amour et de courage : elle doit apprendre à être heureuse sans lui, malgré le lien fort qui les unissait. Holly va affronter sa douleur pour réaliser, entre rires et larmes, que la vie vaut malgré tout la peine d'être vécue. Une comédie romantique, drôle et poignante, qui dépeint la vie telle qu'elle est : belle et triste à la fois.

"Mom loved to write to my sister and me," H. Jackson Brown writes. "They began when I was an eight-year old camper away from home for the first time. When I opened Mom's letter, I would always read the P.S. first. I just couldn't wait to discover what revelations, humor, observations, admonitions, and encouragement she wanted to share with me." "No matter how hard you hug your money, it never hugs you back," says one P.S. "Middle age is when you have two choices and you choose the one that gets you home earlier," says another. Jack Brown's mother shared valuable advice with him about the issues of wisdom, hope, humor, and faith. "Although some were written more than thirty years ago," Brown says, "they still run with truth and insight."

“P.S. I Love You More Than Tuna is both a lighthearted celebration of the loving bond between human and cat, and a touching meditation on the eternal nature of that love.” —Jackson Galaxy, host of Animal Planet’s My Cat From Hell An illustrated gift book for adults grieving a companion cat, celebrating the often-quirky bond between humans and felines. Our cats occupy a unique space in our hearts. When they’re gone, the loss can be devastating, the grief profound. P.S. I Love You More Than Tuna gives us an opportunity to give friends, loved ones, or ourselves tangible comfort during the grieving period, when so many of us feel isolated and misunderstood after a beloved pet dies. The author and illustrator (devoted cat lovers themselves) offer this book as a universal love letter from the felines we've bid goodbye to. It celebrates the special bonds we forge with our four-legged companions and reminds us that their love for us—and ours for them—need never end.

Featured Alternate of the Literary Guild, Book-of-the-Month Club, and Doubleday Book Club When her high school sweetheart and beloved husband, Gerry, dies at 30, Holly doesn't know how to go on without him - nor does she want to. But two months after his death, Holly receives a mysterious package and opens it to find that Gerry has left her a letter for each of the next ten months. Following the instructions in the letters ultimately shows Holly a much larger world than the one she's be forced to leave behind.

Sixteen years after Cecelia Ahern's bestselling phenomenon PS, I Love You captured the hearts of millions, the long-awaited sequel follows Holly as she helps strangers leave their own messages behind for loved ones. Seven years after her husband's death -- six since she read his final letter -- Holly Kennedy has moved on with her life. When Holly's sister asks her to tell the story of the "PS, I Love You" letters on her podcast -- to revisit the messages Gerry wrote before his death to read after his passing -- she does so reluctantly, not wanting to reopen old wounds. But after the episode airs, people start reaching out to Holly, and they all have one thing in common: they're terminally ill and want to leave their own missives behind for loved ones. Suddenly, Holly finds herself drawn back into a world she's worked tirelessly to leave behind -- but one that leads her on another incredible, life-affirming journey. With her trademark blend of romance, humor, and bittersweet life lessons, Postscript is the perfect follow-up to Ahern's beloved first novel. Includes a Reading Group Guide
