This recipe will fully repair and recharge an item without visiting the NPC blacksmith. This is useful to avoid a trip to town, or to repair some armors that have astronomical repair costs, due to irregularities in how the game determines the price for repairs or recharges. Will not repair or recharge ethereal items.

Vanilla Brewing Expanded is an alcohol-oriented module in "Vanilla Cuisine Expanded" from the Vanilla Expanded team, notably Sarg Bjornson, Oskar Potocki and Chowder. Whilst other mods such as Vanilla Plants Expanded and Vanilla Fishing Expanded work well as standalone, due to technical limitations Vanilla Brewing Expanded requires the Core cooking mod.

-The Recipe "Rags from clothes" now gives string with 100% condition instead of using the condition of the clothes. This should make it a lot easier to get string in 100% condition.-Fixed a couple of bugs with Patchwork Boots. They were using the wrong foot conditions and the recipe to make a right one would spawn a left one instead.

The repair hammer must be a bug. The first 8 hours into the game the repair hammer was never consumed. The second run through with a different character class and the repair hammer is consumed. There are not enough repair hammers in the game to keep repairing the various pieces of damaged gear for all party members. I hope this is fixed soon.
