Lace up your heart and skate into the turbulent world of the Las Vegas Sinners hockey team, as five handsome, competitive, irresistible athletes discover that love just might be the most intoxicating win of all. **On the Fly:** Jacey Vaughn has a newly minted MBA when her father dies unexpectedly and leaves her his NHL team. She knows business, not hockey, but it doesn't take her long to recognize that her flirtation with team captain Carter Phlynn is a danger to her professional reputation. Can she win love and the Stanley Cup, too? **Full Strength:** When an injury derails goalie Shane Reese, he takes it badly, and the new team shrink, Allie Kallen, has to help him get his head back on straight. Allie sees through his bravado to the real fear beyond it--and what she sees reminds her of the past she's running from. Falling in love isn't in their plans, but they can't keep their emotions on ice. **Winning Streak:** Saralynn Reese's first big assignment as head of public relations for the Las Vegas Sinners is to clean up the media messes of the team's assistant general manager, Madden Vaughn. He's flirty, impulsive, and self-centered; he also happens to be drop-dead gorgeous. But there's more to Maddie than his Ralph Lauren exterior, and when a gambling addiction spins his world out of control, Saralynn may be the only one with the right sass to save his reputation, and his heart. **Home Ice/:** A broken ankle derailed Lorelai Kelly's Olympic dream, so she's starring in the Sin City on Ice show to make ends meet and focus on a comeback that keeps eluding her grasp. Dylan Cole, the NHL's leading scorer, breathed new life into a dying sport in the States, but now the captain of the Vegas Sinners team is feeling the pressure. America's ice princess might be the only one who understands his current slump--but Dylan's way of expressing thanks could undermine everything Lori has worked for. Can two people who spend their lives on the ice thaw just enough to let each other in? **Fair Trade:** A surprise trade to the Sinners gives Grayson Gunn one last chance at the Cup before he hangs up his skates, and nothing will stand in his way, not even the injuries that send him to the team's pretty new doctor. **Dr. Olivia Parker's** professional focus has lost her countless personal relationships, and she's not ready for her gorgeous new patient to show her everything she's been missing. Could a shot at real love be worth risking her ethical code? **Sensuality Level:** Sensual

Discovering Vintage Las Vegas takes you back in time to all of the timeless classic spots this city has to offer. The book spotlights the charming stories that tell you what each place is like now and how it got that way from classic restaurants to shops to other establishments like the casinos that still thrive today and evoke the unique character of the city. They're all still around—but they won't be around forever. Start reading, and start your discovering now!

a living factory that manufactures organs and compounds ranging from the flavonoids that make a rose red to the pollen that gives us hayfever. In *The Rose's Kiss*, botanist Peter Bernhardt rekindles our sense of wonder at the plant life all around us. He presents a fascinating and wide ranging look at the natural history of flowers -- their forms and functions as well as their hidden interactions with the surrounding environment and the other living organisms they depend upon for survival. Using both familiar and exotic examples, he examines: flower architecture, including the wonderfully descriptive names of floral parts and their respective roles in a plant's life-cycle the secret exchange between a bud and its environment that determines blooming time and the lifespan of individual blossoms colors, scents, and other mechanisms that plants use to attract pollinators and keep them returning season after season the incredible diversity of organisms that pollinate plants -- cockroaches, flies, moths, parrots, hummingbirds, bats, and others extinct plants and their fossil blossoms, showing the evolution of flowering plants over the past 125 million years and much more. Delightfully interwoven with intriguing facts and stories from history, folklore, and mythology, *The Rose's Kiss* is a wonderful example of literary science writing at its best. It should hold wide appeal for nature lovers, garden enthusiasts, and anyone interested in learning more about the inner workings of the natural world.

In a classic story from #1 New York Times bestselling author Iris Johansen, two strangers navigate the territory of their hearts—and the irresistible pull of desire. After taking a break from pop stardom to turn his musical hand to composing—earning both a Tony and an Oscar for his efforts—Rex Brody is making a triumphant return to performing with a sold-out, coast-to-coast tour. But he has one crucial stop to make first: his aunt's home in New Hampshire. A local psychic is bilking his beloved aunt, and Rex is seeing red. But when he meets the woman's gorgeous niece, his anger quickly yields to desire. Rex Brody always gets what he wants . . . and what he wants is to take this beautiful brunette on the road with him. Tamara Ledford lives a quiet life in a rural community, and she's quite happy with it. As a skilled herbalist and canny businesswoman, she's making a name for herself—even if her reputation in other areas dates back to her high school years. Though she tries to be as discreet and reserved as possible, there's a sultry woman burning at her core. But when the arrogant and extremely intriguing Rex Brody makes a play for her, Tamara fights her instincts. Their chemistry seems highly combustible, but can a small-town girl really find happiness with big-time star?

Today's Las Vegas welcomes 35 million visitors a year and reigns as the world's premier gaming mecca. But it is much more than a gambling paradise. In *A Short History of Las Vegas*, Barbara and Myrick Land reveal a fascinating history beyond the mobsters, casinos, and showgirls. The authors present a complete story, beginning with southern Nevada's indigenous peoples and the earliest explorers to the first pioneers to settle in the area; from the importance of the railroad and the construction of Hoover Dam to the arrival of the Mob after World War II; from the first isolated resorts to appear in the dusty desert to the upscale, extravagant theme resorts of today. Las Vegas—and its history—is full of surprises. The second edition of this lively history includes details of the latest developments and describes the growing anticipation surrounding the Las Vegas centennial celebration in 2005. New chapters focus on the recent implosions of famous old structures and the construction of glamorous new developments, headline-making mergers and multibillion-dollar deals involving famous Strip properties, and a concluding look at what life is like for the nearly two million residents who call Las Vegas home.

Your guide on how to have fun and understand the crazy environment that is today's Las Vegas With insightful writing, up-to-date reviews of

major attractions, and a lot of “local” knowledge, The Unofficial Guide to Las Vegas 2019 has it all. Compiled and written by a team of experienced researchers whose work has been cited by such diverse sources as USA Today and Operations Research Forum, The Unofficial Guide to Las Vegas digs deeper and offers more than any single author could. This is the only guide that explains how Las Vegas works and how to use that knowledge to make every minute and every dollar of your time there count. With advice that is direct, prescriptive, and detailed, it takes out the guesswork. Eclipsing the usual list of choices, it unambiguously rates and ranks everything from hotels, restaurants, and attractions to rental car companies. With The Unofficial Guide to Las Vegas, you know what’s available in every category, from the best to the worst. The reader will also find the sections about the history of the town and the chapters on gambling fascinating. In truth, The Unofficial Guide to Las Vegas, by Bob Sehlinger, emphasizes how to have fun and understand the crazy environment that is today’s Vegas. It’s a keeper.
