Stuck with a drab, uninspiring conclusion at the end of your research paper? Roget's Thesaurus of Words for Students will help you find the perfect words and phrases for any writing assignment. It also features hundreds of useful terms every student should know, making it the most essential tool on your desk when you're working on an essay or presentation. With Roget's Thesaurus of Words for Students at your side, you'll impress your teachers and advance straight to the head of the class!

Designed for children ages nine to thirteen, an attractive, illustrated thesaurus defines more than five hundred headwords and 2,500 synonyms, provides example sentences for each synonym, and includes an extensive cross-referencing index.

The bizarre meanings behind everyday names! Did you know that Jacobs tend to cheat in school, Marys have nasty attitudes, and Catherines like to cause pain? If our names are meant to represent our character, then these kids have quite a number of unsavory traits, according to their moniker's definition. The same is true for many of today's common names. From Andrea (strong and manly) and Douglas (black water) to Hayden (heathen) and Trent (invader, trespasser), these people have been granted a life of misery, ugliness, mischief, and confusion simply by being referred to by their name. The Terrible Meanings of Names reveals the strange (and sometimes insulting) meanings behind the names you hear every day. Filled with hundreds of unfortunate definitions and backstories, you'll uncover the surprising origins and definitions of all your friends' names.
