Boeing has delivered more than 80 of the mid-sized freighters to FedEx. Boeing continues to see strong market demand for 767 airplanes, which offer outstanding operational efficiency and payload configuration. Cargo operators around the world keep the global 767 Freighter fleet busy, flying the model an average of 10 hours a day.

The Boeing 737-800 Study Guide is a compilation of notes taken primarily from flight manuals, but it also includes elements taken from class notes, computer-based training, and operational experience. It is intended for use by initial qualification crewmembers, and also for systems review prior to recurrent training or check rides. The book is written in a
