The Debutante was the first novel by Kathleen Tessaro that I've read and I really enjoyed it. It was full of intrigue and mystery that kept me entertained and flipping pages until the very end wondering how the story would unfold. After a bit of a slow start, I became immersed in this story and loved the rich, but not overwhelming detail.

But, for example, with Innocence, I wrote the ending first and then had to work backwards. I think of The Debutante and The Perfume Collector as 'found object' books – books that tell two stories in separate time periods that are bound together by an object one of the main characters discovers.

~~**The Debutante by Kathleen Tessaro**~~

A brilliant, unforgettable novel by the New York Times bestselling author of The Perfume Collector. Can the secrets of one woman's past change another woman's future? Cate Albion is a gifted young artist at a crossroads in her life. Looking to escape New York for the summer, she takes a job in her aunt's London auction house and is soon sent on assignment to the English countryside to value the contents of Endsleigh House, the once gracious but now crumbling estate of a former Jazz Age socialite. There, hidden in the back of a dusty bookshelf, Cate discovers an old shoebox, and inside, a peculiar assortment of objects, including an exquisite pair of 1930s dancing shoes; a faded photograph of a handsome young sailor, and a rare Tiffany pearl and emerald bracelet. Intrigued, Cate sets out to learn more about the box and its contents, and becomes immersed in the mystery of its owner, Diana "Baby" Blythe, the younger of the infamous, giamorous Blythe sisters. Bright, beautiful, and reckless, Baby was the most famous debutante of her generation . . . until she suddenly disappeared entirely from view. As a shocking tale of love and betrayal begins to unravel, Cate finds herself being drawn deeper into Baby's tragic life story—one that will force Cate to confront some dark truths about her own choices.

A remarkable novel about secrets, desire, memory, passion, and possibility. Newlywed Grace Monroe doesn't fit anyone's expectations of a successful 1950s London socialite, least of all her own. When she receives an unexpected inheritance from a complete stranger, Madame Eva d'Orsey, Grace is drawn to uncover the identity of her mysterious benefactor. Weaving through the decades, from 1920s New York to Monte Carlo, Paris, and London, the story Grace uncovers is that of an extraordinary woman who inspired one of Paris's greatest perfumers. Immortalized in three evocative perfumes, Eva d'Orsey's history will transform Grace's life forever, forcing her to choose between the woman she is expected to be and the person she really is. The Perfume Collector explores the complex and obsessive love between muse and artist, and the tremendous power of memory and scent.

Elegance represents an important watershed in architectural design. Since the onset of computer-driven technologies, innovative designers have, almost exclusively, been preoccupied with the pursuit of digital techniques. This issue of AD extrapolates current design tendencies and brings them together to present a new type of architecture, one that is seamlessly trying processes, space, structure and material together with beauty. 'Elegance' here is cast with a new contemporary meaning as it is applied to work that is effortlessly complex. It is analogous to an elegant algorithm that uses a small amount of initiative code to great effect. In a structure elegance may be expressed by a complex surface that retains its continuity and integrity even when punctured. In many ways, Elegance marks a coming of age for, "digital architecture", as architects become more adept at producing complexity and integrating digital design technologies, production and assembly systems producing elegant solutions. It is the potent finesse that is often associated with the work of Zaha Hadid Architects and other featured architects, such as Mark Goulthorpe of Decoi and Hani Rashid of Asymptote.

Three stunning novels from the bestselling author of Elegance and Innocence.

In Depression-era Boston, a city divided by privilege and poverty, two unlikely friends are bound by a dangerous secret in this mesmerizing work of historical fiction from the New York Times bestselling author of The Perfume Collector. Maeve Fanning is a first generation Irish immigrant, born and raised among the poor, industrious Italian families of Boston's North End by her widowed mother. Clever, capable, and as headstrong as her red hair suggests, she's determined to better herself despite the overwhelming hardships of the Great Depression. However, Maeve also has a dangerous fondness for strange men and bootleg gin—a rebellious appetite that soon finds her spiraling downward, leading a double life. When the strain proves too much, Maeve becomes an unwilling patient in a psychiatric hospital, where she strikes up a friendship with an enigmatic young woman, who, like Maeve, is unable or unwilling to control her un-lady-like desire for freedom. Once out, Maeve faces starting over again. Armed with a bottle of bleach and a few white lies, she lands a job at an eccentric antiques shop catering to Boston's wealthiest and most peculiar collectors. Run by an elusive English archeologist, the shop is a haven of the obscure and incredible, providing rare artifacts as well as unique access to the world of America's social elite. While delivering a purchase to the wealthy Van der Laar family, Maeve is introduced to beautiful socialite Diana Van der Laar—only to discover she's the young woman from the hospital. Reunited with the charming but increasingly unstable Diana and pursued by her attractive brother James, Mae becomes more and more entwined with the Van der Laar family—a connection that pulls her into a world of moral ambiguity and deceit, and ultimately betrayal. Bewitched by their wealth and desperate to leave her past behind, Maeve is forced to unearth her true values and discover how far she'll go to reinvent herself.

From the New York Times bestselling author of The Perfume Collector comes this charming, witty novel about a "professional" flirt. "Unique situation for an attractive, well-mannered, morally flexible young man. Hours irregular. Pay generous. Discretion a must..." When struggling, out-of-work actor, Hughie Venables-Smythe sees the mysterious job description in the classifieds, he's convinced he's found his destiny. For, though he's become accustomed to running out of credit on his cell phone, sleeping on his sister's sofa, and begging the waitress at the local café to let him slide yet again on his bill, he longs to treat his lover—the sexy, sophisticated, and amorously ruthless lingerie designer, Leticia Vane, to the finer things in life. But how is he to win her heart if he can't even pay for dinner? When he learns that his lucrative new position means flirting with married women who have been neglected by their spouses, he can't believe his luck. Soon initiated into the extraordinary secret fraternity of the Professional Flirt, Hughie promises to have an exceptional career ahead of him. However, the life of a Flirt is a curiously lonely calling and there's one absolute rule his new employer has: he must remain single. Only—how can he live without the delicious Leticia Vane? Surely, there's nothing wrong with using a few of his newly polished romantic skills on the side to quietly seduce the woman he loves. . . . is there? As clueless as he is handsome, Hughie gamely decides to throw his already complicated life into utter chaos. . . . and discovers exactly why a Flirt's professional and personal life should never mix.

The enchanting new novel from the international bestselling author of "Elegance" finds new hope for a drama instructor when she encounters a friendship from the past.

An "affecting tale" of a romantic reunion and a midlife affair from the New York Times–bestselling author of *The Pilot's Wife* (Publishers Weekly). Out of the blue, Siân Richards receives a letter from her first love, a boy she met at summer camp—and she sees no reason why she can't write back to Charles Callahan. After all, it's been thirty years and they are both married with families. But when they decide to meet again, an innocent correspondence becomes a dangerous intimacy. Swept up in the past and consumed by an obsessive love, Charles and Siân risk everything to be together. A heart-wrenching, suspenseful story with an unforgettable conclusion, *Where or When* is also a "thoughtful, beautifully written contemporary romance" from the acclaimed author of *The Stars are Fire and The Weight of Water* (The Washington Post). "Who hasn't dreamed about reuniting with one's first love? Where or When indulges the fantasy, then sets it afire. . . . A seductive read." —Vogue

Louise C. wants what Jackie O had ... Unhappy with her looks, her life, and her empty marriage, Louise Canova needs help -- and she finds it in a secondhand bookstore. A forty-year-old encyclopedia of style titled *Elegance*, this slim volume by formidable French fashion expert Madame Dariaux promises to transform even the plainest of women into creatures of poise and grace. It is a fairy godmother in print, an A-to-Z manual with essential advice that Louise vows to take to heart. But within its pages lie not only clues from her past, but also powerful lessons for the future. And as the old Louise gives way to the stunning new, she's about to find out that there's more to every life than what appears on the surface ... and that everything, even elegance, has its price.

When her mistress departs from Victorian London society to seek relief from tuberculosis symptoms in Egypt, maid Sally throws herself into their new culture and comes to know freedoms she has never experienced before she is harshly reminded of her humble station in life. 75,000 first printing.
