The unforgettable cross country journey of a runaway couple in their twilight years determined to meet the end of all roads on their own terms—a major motion picture from Sony Pictures Classics starring Helen Mirren and Donald Sutherland. The Robinas have shared a wonderful life for more than sixty years. Now in their eighties, Ella suffers from cancer and John has Alzheimer's. Yearning for one last adventure, the self-proclaimed "down-on-their-luck geezers" kidnap themselves from the adult children and doctors who seem to run their lives and steal away from their home in suburban Detroit on a forbidden vacation of rediscovery. With Ella as his vigilant copilot, John steers their '78 Leisure Seeker RV along the forgotten roads of Route 66 toward Disneyland in search of a past they're having a damned hard time remembering. Yet Ella is determined to prove that, when it comes to life, you can go back for seconds—even when everyone says you can't. "The Leisure Seeker is pretty much like life itself: joyous, painful, moving, tragic, mysterious, and not to be missed." —Booklist, starred review

Recognizing that the final stage of their lives is upon them, John and Ella Robina, the former an Alzheimer's patient, the latter succumbing to cancer, sneak away from their over-protective children and doctors to embark on an RV vacation along Route 66. (General Fiction)

John and Ella Robina have shared a wonderful life for more than fifty years. Now in their eighties, Ella suffers from cancer and has chosen to stop treatment. John has Alzheimer's. Yearning for one last adventure, the self-proclaimed "down-on-their-luck geezers" kidnap themselves from the adult children and doctors who seem to run their lives to steal away from their home in suburban Detroit on a forbidden vacation of rediscovery. With Ella as his vigilant copilot, John steers their '78 Leisure Seeker RV along the forgotten roads of Route 66 toward Disneyland in search of a past they're having a damned hard time remembering. Yet Ella is determined to prove that, when it comes to life, a person can go back for seconds—sneak a little extra time, grab a small portion more—even when everyone says you can't. Darkly observant, told with humor, affection, and a touch of irony, The Leisure Seeker is an odyssey through the ghost towns, deserted trailer parks, forgotten tourist attractions, giant roadside icons, and crumbling back roads of America. Ultimately it is the story of Ella and John: the people they encounter, the problems they overcome, the experiences they have lived, the love they share, and their courage to take back the end of their own lives.

" [An] eight-track flashback of a novel set in 1970s Detroit " from the international bestselling author of The Narcissism of Small Differences (O, the Oprah Magazine, Summer 2018 Reading List). Set in early 1970s Detroit, a divided city still reeling from its violent race riot of 1967, Beautiful Music is the story of one young man ' s transformation through music. Danny Yzemeski is a husky, pop radio – loving loner balancing a dysfunctional homelife with the sudden harsh realities of freshman year at a high school marked by racial turbulence. But after tragedy strikes the family, Danny ' s mother becomes increasingly erratic and angry about the seismic cultural shifts unfolding in her city and the world. As she tries to hold it together with the help of Librium, highballs, and breakfast cereal, Danny finds his own reason to carry on: rock and roll. In particular, the drum and guitar-heavy songs of local legends like the MC5 and Iggy Pop. In the vein of Nick Hornby and Tobias Wolff, yet with a style very much Zadoorian ' s own, Beautiful Music is a touching story about the power of music and its ability to save one ' s soul. " A sweet and endearing coming-of-age tale measured in album tracks. " —The Wall Street Journal " For Danny, cracking the seal on a fresh piece of wax and dissecting cover art and liner notes are acts of nigh religious experience that unveil to him a community of fellow rockers across Detroit . . . It ' s in these small moments—a lonely boy experiencing premature nostalgia—that Zadoorian shines. " —The Washington Post " A disturbing yet humorous tale of beleaguered adolescence in 1970s Motor City. " —Steve Miller, author of Detroit Rock City

Having been rejected by the Nomana--the revered warrior-monk order they long to join--sixteen-year-olds Seeker and Morning Star, along with a curious pirate named Wildman, attempt to prove that they are worthy of joining the community, after all.

\*Now a major motion picture starring Helen Mirren and Donald Sutherland\* Ella and John have shared a wonderful life for more than sixty years. Now they're on the run from their doctors and middle-aged children, who just want them to go gently into that undignified night of old age. In their trusty camper van, the pair embark on a forbidden vacation of rediscovery along Route 66. Though time is catching up with them, Ella is determined that together they'll make it to their final destination for one more carefree day together, even if it is their last.

A comedy of compromise that “ brims with wit, passion and soul ” from the international bestselling author of Beautiful Music (The Millions, A Most Anticipated 2020 Book). Joe Keen and Ana Urbanek have been a couple for a long time, with all the requisite lulls and temptations, yet they remain unmarried and without children, contrary to their Midwestern values (and parents ’ wishes). Now on the cusp of forty, they are both working at jobs that they ’ re not even sure they believe in anymore, but with significantly varying returns. Ana is successful, Joe is floundering—both in limbo, caught somewhere between mainstream and alternative culture, sincerity and irony, achievement and arrested development. Set against the backdrop of bottomed-out 2009 Detroit, a once-great American city now in transition, part decaying and part striving to be reborn, *The Narcissism of Small Differences* is the story of an aging creative class, doomed to ask the questions: Is it possible to outgrow irony? Does not having children make you one? Is there even such a thing as selling out anymore? “ While everyone is trying so hard to act normal, *The Narcissism of Small Differences* revels in its own weirdness. ” —Ben Folds, New York Times bestselling author/singer-songwriter “ In a literary landscape where most are hell-bent on outplotting their peers, Michael Zadoorian has sculpted a thriller from everyday life. ” —Josh Malerman, author of *Bird Box* “ *The Narcissism of Small Differences* is one of [Zadoorian ’ s] best. He has become an essential chronicler of the life in Detroit at the beginning of our century. ” —Stateside, Michigan Public Radio
