Arlo The Lion Who Couldn't Sleep is a beautifully illustrated story with a gentle mindfulness message from award-winning author-illustrator Catherine Rayner. Shortlisted for the Kate Greenaway Medal, it's an ideal bedtime book, and especially helpful for little ones who have trouble going to sleep. Arlo the lion is exhausted. He just can't drop off, no matter what he tries. It's either too hot, or too cold; too loud or too quiet. But then he meets Owl. She can sleep through the day, which isn't easy when most other animals are awake! Will Arlo ever get any rest? Perhaps his

new friend has some special tricks she can teach him.

Since its original publication twenty years ago Rian Malan's classic work of narrative nonfiction *My Traitor's Heart* has earned its author comparisons to masters of literary nonfiction like Michael Herr and Ryszard Kapuscinski. *The Lion Sleeps Tonight* is Malan's remarkable chronicle of South Africa's halting steps and missteps, taken as blacks and whites try to build a new country. Some of the essays previously appeared in a collection published only in South Africa, *Resident Alien*, but others are collected here for the first time. The collection comprises twenty-three pieces; the title story investigates the provenance of the world famous song "The Lion Sleeps Tonight," which Malan traces back to a Zulu singer named Solomon Linda who recorded a song

called “Mbube” in the 1930s, which went on to be covered by Pete Seeger, REM, and Phish, and was incorporated into the musical “The Lion King.” In other stories, Malan follows the trial of Winnie Mandela and plunges into the explosive controversy over President Mbeki’s AIDS policies of the 1990s. The stories, combined with Malan’s sardonic interstitial commentary, offer a brilliantly observed portrait of contemporary South Africa.

In a book that marks the author's 20th year of uncovering suppressed information, he takes the manipulation of the human race and the nature of reality to new levels of understanding and calls for humanity to rise from its knees and take back the world from the sinister network of families and non-human entities that covertly control us from cradle to grave. Original.

Bristling with intelligence and shimmering with romance, this novel tests the boundary between history and myth.

Patrick Lewis arrives in Toronto in the 1920s and earns his living searching for a vanished millionaire and tunneling beneath Lake Ontario. In the course of his adventures, Patrick's life intersects with those of characters who reappear in Ondaatje's Booker Prize-winning *The English Patient*. 256 pp.

to seek submission over intimacy while still wanting desperately to be loved, and tracing the contorted route by which emotional pain finds expression in violence. “The night my girlfriend tells my mother I beat her, / I feel betrayed. This was a secret we kept between us. / That night, I was no longer my mother’s loving son,” the speaker in one poem confesses, and later “I never wanted to be this kind of animal.” And yet, through the lens of Ángel García’s sharp imagining, men frequently appear as beasts (sometimes literally)—as hybrid beings both tender and brutal—that he steadfastly refuses to let off the hook as he obsessively catalogs the origins of toxic masculinity (the first time I made my mother cry, the first time I pitied my father, the first time I saw a girl bleed) and its quiet, lasting effects: “Still a part of me believes a / man shouldn’t cry in front of a woman, even in the dark.” In

a culture of weaponized masculinity, the poems in *Teeth Never Sleep* make a doorway of a wound, inviting readers to walk through and sit down inside the raw pain they harbor to meditate on two central, urgent questions: what it means to be a man and how, as a man, to love.

The first book by up and coming writer and University of California San Diego graduate, Dametrius Bedgood. It contains poetry that speaks volumes on Christianity, life, and the society at large.

An Afrikaner crime reporter returns home to face the evil and complex legacy of South African apartheid in “a witness-bearing act of the rarest courage” (Michael Kerr). Michael Herr and Ryszard Kapuściński and inspired the London Times to call him “South Africa’s Hunter S. Thompson.” An Afrikaner, Malan is the scion of a centuries-old clan deeply involved in the creation of apartheid. As a young crime reporter, he covered the atrocities of an undeclared race war and ultimately fled the country, unhinged by what he had seen. Eight years later, he returns to confront his own demons, and those that are tearing his country apart. With unflinching candor, Malan explores the grizzly violence and perverse rationalizations at the root of his nation’s identity. Written in the final years of apartheid’s bloody collapse, *My Traitor’s Heart* still resonates, offering a “passionate, blazingly honest testament” to the darkest recesses of the black and white South African psyches. “Those who read it will never again see South Africa

NATIONAL BESTSELLER - SOON TO BE A MAJOR MOTION PICTURE starring Abigail Cowen, Tom Lewis, Nina Dobrev, with Logan Marshall Green and Eric Dane, special appearance by Famke Janssen. Distributed by Universal Pictures with a screenplay by Francine Rivers and D.J. Caruso. California's gold country, 1850. A time when men sold their souls for a bag of gold and women sold their bodies for a place to sleep. Angel expects nothing from men but betrayal. Sold into prostitution as a child, she survives by keeping her hatred alive. And what she hates most are the men who use her, leaving her empty and dead inside. Then she meets Michael Hosea, a man who seeks his Father's heart in everything. Michael obeys God's call to marry Angel

and to love her unconditionally. Slowly, day by day, he defies Angel's every bitter expectation, until despite her resistance, her frozen heart begins to thaw. But with her unexpected softening comes overwhelming feelings of unworthiness and fear. And so Angel runs. Back to the darkness, away from her husband's pursuing love, terrified of the truth she no longer can deny: her final healing must come from the One who loves her even more than Michael does . . . the One who will never let her go. A powerful retelling of the story of Gomer and Hosea, *Redeeming Love* is a life-changing story of God's unconditional, redemptive, all-consuming love. Includes a six-part reading group guide!
