Bad Santa 2 | Fueled by cheap whiskey ... adventures of writer Newt Scamander in New York ' s secret community of witches and wizards seventy years before Harry Potter reads his book in school.

Two years ago, when Eliza Sellman was in ninth grade, her dad found out he was being transfered and the family was going to move. Having always been shy and not so confident about her body, Eliza took that opportunity to start a list in her private notebook of all the things she planned on doing when she moved but had always been afraid to--like wearing a miniskirt and asking guys to dance; singing karaoke in front of strangers; posting a photo of herself on her Facebook wall in a bikini...you get the idea. New town, new Eliza, right? Well, she'll never know because the transfer fell through and they didn't move. But Eliza kept adding her goals and secret fears to the list in the notebook. Now it's two years later, and in that time Eliza has had and lost her first boyfriend. But this was more than your average breakup...turns out the sweet and cute Cooper was only dating her as a hazing stunt by a secret society. Eliza got her revenge by posting some pretty nasty (and only sort-of true) stuff about Cooper online. That posting has had major consequences and now Cooper and his buddies have stolen her private notebook and won't give it back until she performs all the things on her list in one night. It's torture...until Eliza steals something from the boys she knows they'll want to trade her notebook for. What starts out as a night of humiliation turns into a night of revelations as Eliza learns what Cooper was really thinking when they dated, the real reason he's stolen her notebook, and how freeing--and life-changing--it can be to do the things you fear the most.

Fog rolls into Tulsa, and with it comes Darkness. Zoey knows something is up, and that the something involves Neferet, but Neferet can ' t possibly be freed, right? Other Neferet and her companion, Lynette, arrive in Woodward Park to set this world ' s Neferet free from her grotto prison, and discover there may be those who sympathize with their cause. Meanwhile, Other Kevin and Other Stark are hot on their trail, but how can the new friends travel to this world without invoking Old Magick and paying a costly, perhaps deadly, price? In Found, the culmination of the House of Night Other World series, a surprisingly talented fledgling, an immortal, and the unlikelyest of allies will band together with Zoey and the Nerd Herd. Will they be powerful enough to defeat her old nemesis, or will two worlds be destroyed and claimed by Darkness? Find out in the thrilling conclusion to the House of Night Other World series!

" In her much-needed and brilliant Year of the Witch, Temperance Alden guides readers to observe their own land, celestial cycles, seasonal cycles, and even their own biological cycles to inform their magickal year. " -- Mat Auryr, author of Psychic Witch: A Metaphysical Guide to Meditation, Magick, and Manifestation
When we think of the wheel of the year, the Wiccan wheel with its celebrations of the Yule, Beltane, Mabon, and Samhain come to mind. But what about a wheel of the year for the rest of us pagans and witches? As a witch living in sunny South Florida, longtime hereditary witch Temperance Alden has often felt at odds gearing up to celebrate Yule, for example, when it is 76 degrees and sunny outside. Year of the Witch will help readers create their own intuitive practices in harmony with the climate, culture, and local spirits where they live. It ' s of interest to witches coming off the Wiccan path and looking for a more personal approach to celebrating the rhythms of nature. Year of the Witch covers all aspects of this new, seasonal practice: The origins of the neo-pagan wheel of the year and why it is still so relevant today
Culture, historical facts, and traditions associated with the major ceremonies
Basic principles of land-based magick
How to intuitively connect to the nature below your feet and the local gods
Being a custodian to the land and its impact on our spiritual practice

A little bat uses brains over brawn in this not-so-scary Halloween picture book. The witch has grown the biggest pumpkin ever, and now she wants to make herself a pumpkin pie for Halloween. But the pumpkin is so big she can't get it off the vine. It ' s so big the ghost can ' t move it, either. Neither can the vampire, nor the mummy. It looks as if there ' ll be no pumpkin pie for Halloween, until along comes the bat with an idea to save the day. How can the tiny bat succeed where bigger and strong spooky creatures have failed? You'll be surprised!

Inspired by real characters, this transporting historical fiction debut spins the fascinating story of two princesses in the Romanov court who practiced black magic, befriended the Tsarina, and invited Rasputin into their lives—forever changing the course of Russian history. As daughters of the impoverished King of Montenegro, Militza and Stana must fulfill their duty to their father and leave their beloved home for St. Petersburg to be married into senior positions in the Romanov court. For their new alliances to the Russian nobility will help secure the future of the sisters ' native country. Immediately, Militza and Stana feel like outcasts as the aristocracy shuns them for their provincial ways and for dabbling in the occult. Undeterred, the sisters become resolved to make their mark by falling in with the lonely, depressed Tsarina Alexandra, who—as an Anglo-German—is also an outsider and is not fully accepted by members of the court. After numerous failed attempts to precipitate the birth of a son and heir, the Tsarina is desperate and decides to place her faith in the sisters ' expertise with black magic. Promising the Tsarina that they will be able to secure an heir for the Russian dynasty, Militza and Stana hold séances and experiment with rituals and spells. Gurus, clairvoyants, holy fools, and charlatans all try their luck. The closer they become to the Tsarina and the royal family, the more their status—and power—is elevated. But when the sisters invoke a spiritual shaman, who goes by the name of Rasputin, the die is cast. For they have not only irrevocably sealed their own fates—but also that of Russia itself. Brimming with black magic, sex and intrigue, The Witches of St. Petersburg is an exquisite historical fiction debut novel filled with lush historical details from the Romanov era.

Spencer almost drowns in a surfing accident when a sparkling, golden girl saves him with a kiss of life before she suddenly disappears. Where did this dream girl come from, and will she return? Lilly rescues a boy from nearly drowning and dangerously steps out of her own watery world. Curious to explore this forbidden land, she's gotta find her handsome Earthdude. A silver heart locket is their only clue. Ellen Schreiber revamps a classic favorite with a funky magical romance that shows what transpires when boy meets girl, but discovers girl is really a . . .

"Seventh-grader Kendall can see dead people. Not only can she see them, she can speak to them. . . and they can speak to her. They want Kendall to be a psychic sleuth and figure out what unresolved issues are keeping them from moving on"--

A NEW YORK TIMES NOTABLE BOOK
It is 1901 and Buffalo, New York, stands at the center of the nation's attention as a place of immense wealth and sophistication. The massive hydroelectric power development at nearby Niagara Falls and the grand Pan-American Exposition promise to bring the Great Lakes " city of light " even more repute. Against this rich historical backdrop lives Louisa Barrett, the attractive, articulate headmistress of the Macaulay School for Girls. Protected by its powerful all-male board, " Miss Barrett " is treated as an equal by the men who control the life of the city. Lulled by her unique relationship with these titans of business, Louisa feels secure in her position, until a mysterious death at the power plant triggers a sequence of events that forces her to return to a past she has struggled to conceal, and to question everything and everyone she holds dear. Both observer and participant, Louisa Barrett guides the reader through the culture and conflicts of a time and place where immigrant factory workers and nature conservationists protest violently against industrialists, where presidents broker politics, where wealthy " Negroes " fight for recognition and equality, and where women struggle to thrive in a system that allows them little freedom. Wrought with remarkable depth and intelligence, City of Light remains a work completely of its own era, and of ours as well. A stirring literary accomplishment, Lauren Belfer's first novel marks the debut of a fresh voice for the new millennium and heralds a major publishing event.

The Witch ' s Herbal Apothecary is a magickal book of recipes, rituals, and materia medica for reconnecting with the power and healing of Earth Magick. Author Marysia Miernowska is the Director of one of California ' s most renowned herbal schools and named one of the " top 15 witches on Instagram " (@marysia\_miernowska) by Huffington Post. Mother Earth is a living entity that holds great medicine to heal us physically and spiritually. However, in today's modern world, too many of us are separated from this source of nourishment. With the wheel of the year as a framework, you'll begin to understand the currents of nature and how to weave yourself back into this great web of life. Using the plants, seasons, and cycles as your tools, you will be able to tap into the potent Earth Magick of life, death, renewal, and rebirth. In harmony with the seasons, You will learn how to:
Grow medicine
Harvest from the wild or home garden
Process plants
Make remedies
Each season opens a portal of magick that allows you to harvest the literal and spiritual gifts the Earth is offering at that time. The Witch's Herbal Apothecary will awaken the Witch inherent in every wild soul and guide her into an empowered relationship of healing and magick with the natural world.

Part of the classic Fudge series from Judy Blume, bestselling author of Tales of a Fourth Grade Nothing! Fudge is obsessed with money. He ' s making his own " Fudge Bucks " and has plans to buy the entire world. But life gets really crazy when Fudge and his older brother, Peter, run into their long-lost relatives, the Howie Hatchers. Now they have to deal with annoying twin cousins and a weird younger cousin, coincidentally named Farley Drexel Hatcher—just like Fudge! Their names aren ' t the only similarity, and before long, mini-Fudge is causing just as much trouble as Fudge always has! " As a kid, Judy Blume was my favorite author, and Tales of a Fourth Grade Nothing was my favorite book. " —Jeff Kinney, author of the bestselling Wimpy Kid series Love Fudge, Peter, and Sheila? Read all the books featuring your favorite characters: Tales of a Fourth Grade Nothing Otherwise Known as Sheila the Great Superfudge Fudge-a-Mania
