Fans of Jandy Nelson and Marieke Nijkamp will love this deeply moving novel in verse about the aftermath of a gun accident. Life changes forever for Liv when her older brother, Jonah, accidentally shoots himself with his best friend Clay's father's gun. Now Jonah needs round-the-clock care just to stay alive, and Liv feels like she's the only person who can see that her brother is still there inside his broken body. With Liv's mom suing Clay's family, there are divisions in the community that Liv knows she's not supposed to cross. But Clay is her friend, too, and she refuses to turn away from him--just like she refuses to give up on Jonah. A profound portrait of family dynamics in the rural South and "an essential novel" (The New Yorker) "As close to flawless as any reader could ask for . . . The living language [Allison] has created is as exact and innovative as the language of To Kill a Mockingbird and The Catcher in the Rye." --The New York Times Book Review The publication of Dorothy Allison's Bastard Out of Carolina was a landmark event that won the author a National Book Award nomination and launched her into the literary spotlight. Critics have likened Allison to Harper Lee, naming her the first writer of her generation to dramatize the lives and language of poor whites in the South. Greenville County, South Carolina, is a wild, lush place that is home to the Boatwright family--a tight-knit clan of rough-hewn, hard-drinking men who shoot up each other's trucks, and indomitable women who get married young and age too quickly. At the heart of this story is Ruth Anne Boatwright, known simply as Bone, a bastard child who observes the world around her with a mercilessly keen perspective. When her stepfather Daddy Glen, "cold as death, mean as a snake," becomes increasingly more vicious toward her, Bone finds herself caught in a family triangle that tests the loyalty of her mother, Anney--and leads to a final, harrowing encounter from which there can be no turning back.

Never say never. There are three things I said I'd never do--move back in with my parents, let my mother set me up, and date a guy with a dog. Between a bolt of lightning and my mom's nagging, my 'never' list doesn't seem to stand a chance. Just as I'm trying to relax, a tree falls, trapping me in the bathtub. When Adam, a handsome firefighter, swoops in to rescue me, bubbles and all, I add one more never to my list: I never want to see him again. But as fate (and Mom) would have it, Adam ends up being my blind date. Surprisingly, he is perfect . . . except for one minor thing. He has dogs. Plural. As in, more than one. I may never get over my aversion to sloppy kisses (from the dogs), but for him I'm willing to at least try. When I volunteer to dog sit for the weekend, things go from bad to worse. Someone is bound to end in the doghouse forever . . . ----- Three Things I'd Never Do is a sweet romantic comedy with heartwarming characters and a touch of sizzle that will have you laughing your way to the happily ever after.

There are three things you should know about Elsie. The first thing is that she's my best friend. The second is that she always knows what to say to make me feel better. And the third thing...might take a bit more explaining. Eighty-four-year-old Florence has fallen in her flat at Cherry Tree Home for the Elderly. As she waits to be rescued, she thinks about her friend Elsie and wonders if a terrible secret from their past is about to come to light. If the charming new resident is who he claims to be, why does he look exactly like a man who died sixty years ago? From the acclaimed, bestselling author of The Trouble with Goats and Sheep, Three Things About Elsie "breathes with suspense, providing along the way piercing, poetic descriptions, countless tiny mysteries, and breathtaking little reveals...a rich portrait of old age and friendship stretched over a fascinating frame" (Kirkus Reviews, starred review). This is an "amusing and heartbreaking" (Publishers Weekly) story about forever friends on the twisting path of life who come to understand how the fine threads of humanity connect us all.
