Seeing is Understanding. The first VISUAL guide to marine diesel systems on recreational boats. Step-by-step instructions in clear, simple drawings explain how to maintain, winterize and recommission all parts of the system - fuel deck fill - engine - batteries - transmission - stern gland - propeller. Book one of a new series. Canadian author is a sailor and marine mechanic cruising aboard his 36-foot steel-hulled Chevrier sloop. Illustrations: 300+ drawings Pages: 222 pages Published: 2017 Format: softcover Category: Inboards, Gas & Diesel

Provides extensive information on state-of the art diesel fuel injection technology.

The familiar yellow Technical Instruction series from Bosch have long proved one of their most popular instructional aids. They provide a clear and concise overview of the theory of operation, component design, model variations, and technical terminology for the entire Bosch product line, and give a solid foundation for better diagnostics and servicing. Clearly written and illustrated with photos, diagrams and charts, these books are equally at home in the vocational classroom, apprentices toolkit, or enthusiasts fireside chair. If you own a car, especially a European one, you have Bosch components and systems. Covers: -Injection pump designs -Governor designs -Workshop technology

Profiles two hundred people from various fields, such as literature and journalism, business and education, law and politics, religion, fashion, entertainment, sports, and medicine.

One of the only texts of its kind to devote chapters to the intricacies of electrical equipment in diesel engine and fuel system repair, this cutting-edge manual incorporates the latest in diesel engine technology, giving students a solid introduction to the technology, operation, and overhaul of heavy duty diesel engines and their respective fuel and electronics systems.

An eBook is available for this title. [Click here to buy now.](#) Introduction Diesel Engine Basics is dedicated to the basics of diesel mechanics within an Australian context. This text provides a practical reference for instructors and students to utilise throughout not only their course but also their career. The text is an Ideal companion to Simpson's bestselling text, Automotive Mechanics 8e. Scope Diesel Engine Basics provides coverage across: Certificate III Automotive Technology AUAR30405 Certificate IV Automotive Technology AUR40208/40205 Diploma of Automotive Technology AUR50205 Certificate III Marine Certificate III Outdoor Power Equipment

'The National Lottery seems to elude us all, but, my God what would you do if you had guessed the six winning Lottery

numbers, and then somebody ran off with the winning ticket, perish the thought!! A building site in Lipton, England and the last lorry load of sand had been delivered, the building site was quiet; Friday was the last day at work for the lads before their treasured weekend break. Mick and the lads had already left for the pub, for their pre-weekend beer, leaving John to lock up. Sean the lottery syndicate manager had prized a pound out of each of the lads in the pub, for Saturdays weekend Lottery Draw Monday 7.30am the lads drifted into work for the start of a new weeks work. But where was Sean? He had failed to turn up for work. Why? He had never had a day's illness in his life. Where was he? Why had he just disappeared without a trace? Where had he gone? The lads found out there were several feasible reasons for why Sean had seemed to have disappeared, but were they the real reasons. Nothing seemed to add up. They all desperately needed to find out what had happened to Sean, and looking for him had become more important than work, so they all quit their jobs..... Mick, John, Craig, Paul, and Rod, embark on a journey looking for Sean with the help of Sean's two beautiful daughters Sinead and Kerrie. Their quest becomes a remarkable adventure for them all; their lives would be altered forever, as they delved deeper and deeper into Sean's disappearance. Finding something, much more sinister had happened to Sean. Much....much more than they had all expected
